

# Keeping our waters

# clean in 2015!

## Drayton Harbor/Semiahmoo Bay Water Quality Enhancement Project

**Neighborhood Information Meeting:**  
Blaine Public Library meeting room  
Wednesday March 4, 6:00 to 7:00 PM

Blaine Public Works Department is working to improve water quality in local waters with a grant from the Washington State Department of Ecology focused on Cain Creek. Join us to learn more about this study/program and how you can challenge yourself, your friends and neighbors to help in this effort. **Let's keep our waters clean and safe** for recreation, shellfish harvest and fishing!

Learn about upcoming plans and events. Provide your input, be part of the solution!

For information call Blaine Public Works at 332-8820.
