

Vista Terrace Area LID

We the undersigned property owners request City Council to forgo the GFF fees as was the original scenario put forth when this LID was first proposed to property owners. Additionally we request that the Grants to cover the GFF be applied to the LID principal; effectively lowering the cost to every property owner. This would help property owners with the substantial costs of hook up and in the decommissioning of their existing septic systems.

NAME	SIGNATURE	ADDRESS
Donald Scherck		675 Allan St.
