

**CITY OF BLAINE
NOTICE TO BIDDERS**

The City of Blaine ("City") is seeking submittals from firms interested in providing professional support services to the Public Works Department for the Supervisory Control and Data Acquisition (SCADA) Integration Services and Instrumental and Control (I&C) Systems. The selected Consultant shall have qualifications and experience to design and implement a new I&C and SCADA system in a municipal environment as well as the integration of existing facilities and remote stations.

Interested parties should send a facsimile request to City of Blaine Public Works Department at 360-332-7124 or via email to pwwmail@cityofblaine.com to receive the complete Request for Proposals. The City invites all interested parties to respond to this Request for Proposals/Qualifications (RFP/Q) by submitting their qualifications relating to this type of project. Disadvantaged, minority and women-owned consultant firms are encouraged to respond. Upon consideration of the submittals, the City will negotiate final terms with the selected party.

Interested parties should deliver four (4) copies of their response packets no later than 10:00 a.m., PST February 19, 2019.
