

## Officer Commendation

If you recently had a positive interaction with an officer and would like to thank them, please take a few moments to complete this form. Most police officers started their careers on the basis that they wanted to help people and make a difference in their community. A simple thank you from one of the citizens we serve helps officers to realize this goal. Your comments are greatly appreciated and will be passed on to the officer with which you had your interaction. Thank you for taking the time to make this officer feel appreciated.

If you wish this commendation to be anonymous, omit any self-identifying information on this form. You may contact our office with any questions at (360)332-6769.
