Subject: Phase Two of Washington's Safe Start Plan

Importance: High

Hello Council,

The State approved Whatcom County's Phase Two application reopening. The following items can be reopened under Phase Two effective immediately:

- Small social gatherings - inside or outside - are allowed as long as you don't see more than 5 people in a week, who you don't live with.
- Outdoor recreation like camping is allowed as long as it involves 5 or fewer people from outside your household. Always check with campgrounds and recreation facilities before you go for any additional rules and restrictions.
- More businesses and services can reopen with restrictions, including remaining manufacturing and construction activity, domestic services such as nannies and house cleaners, retail stores, real estate services, professional services, nail salons, barbers, and pet grooming.
- Restaurants can open at 50% capacity, but without bar seating.

More information on the Phase Two can be found here:
