Action Needed:

Authorize the City Manager to enter into a contract with Premium Services Inc. for construction services to complete the Marine Park Shoreline Reconstruction project.

Attachments:

1. Bid Results 1B & 2

Background/Summary:

The project will remove the broken concrete and debris along approximately 600 feet of Marine Park shoreline and replace it with boulders, cobbles, sand and gravels, creating new pocket beaches and new headlands to stabilize the shoreline. The project will result in safer shoreline access and help prevent further erosion around the Marine Park Playground and Lighthouse Point Water Reclamation Facility.

The City has obtained federal, state and local permits to complete the Marine Park Shoreline project, including \$500,000 in grant funding from the Washington State Recreation Conservation Office ALEA program. Funding is supplemented by local Park Capital Improvement funds and is fully funded in the City budget.

In accordance with the invitation to be for the subject project, staff opened 6 sealed bids on December 7, 2022, at 11 am. The attached bid results summarize each bidder's total bid price.

The lowest responsive bid was submitted by Premium Services Inc, whose bid was in the amount of \$598,307.52 for bid schedule 1B & 2. The engineer's estimate was \$785,000.

Budget Implications: Current Budget New Budget Request Non-Budgetary

This project is budgeted in the 2022 and 2023 Park CIP (Fund 314).

Recommendation:

Staff recommends that the City Council accept the bid and authorize the City Manager to enter contract with Premium Services Inc.
